

HELI TRANSPORT CASE

www.helivol.com

600 SIZE

BEGINNER to EXPERT

This is the 600 size case that will take all of your equipment as well as your prize possession.

It has space for your radio, charger, starter, batteries and your helicopter too.

It can double as work bench at the field and has wheels on one end to make it easier to move around.

A fantastic storage chest for your garage.

RRP £119.99
